

Election Title & Date: Hayward municipal election  
Official Title & Jurisdiction: Hayward City Council  
Name of Candidate: Robert Lopez  
Occupation: East Bay Municipal Utility District Worker

June 6, 2006

Age: 46

I am a lifelong resident and homeowner in Hayward. I am a graduate of Mt. Eden High and attended Chabot College. I graduated from the George Meany Institute of Maryland. I am the former President of AFSCME Local 444.

As a married father with a child in public school, I understand the importance of working closely with the school board and business community to improve education and opportunities for our children. City sponsored after school and summer programs will help deter gang involvement and violence.

Hayward needs strong leadership to deal with tough problems. Traffic, crime, drugs, gangs, deteriorating streets and neighborhoods, as well as the improper use of eminent domain, are all problems I am ready and willing to tackle head on. This is the reason I have the endorsement and support of Sheriff Charles Plummer and former assistant Chief of Police Dennis Houghtelling among many others.

It is time to bring courtesy and compassion back to our City Council. Public safety and fiscal responsibility are my priorities. Together we can make Hayward a better place to live. Vote Robert Lopez. I invite you to view my website at [WWW.LOPEZFORHAYWARD.COM](http://WWW.LOPEZFORHAYWARD.COM) to hear my views on these and other issues.

Signature of Candidate:

A handwritten signature in black ink, appearing to read "Robert Lopez", written in a cursive style.
